Till We Meet Again

By David Coleman

“Expect the unexpected”

Bear Bryant, the famous former Crimson Tide football coach, gave us all good advice when he said that. Life is full of the unexpected, as we all have learned afresh through the sudden appearance of the Coronavirus recently. Out of left field has come a pandemic that has utterly changed everyday life in our country, and in many other places around the world. Who could have imagined it!

Our church has suspended all worship services and group gatherings while we wait for the virus to abate. Those of us who regularly attend church will feel strange sitting at home on Sunday mornings instead of gathering with our church family, and I pray that it won't last long. Still, good things can come from it all. During this time of isolation, I have resolved to carry out three commitments, and I encourage you to join me in doing them. They are:

1. I will spend time each day in prayer to God and will devote a few minutes every day to read Scripture. Social distancing doesn't apply to our relationship with God!
2. I will ask God to show me what He wants me to do with any free time the shutdown creates in my schedule, so that I put those newly-available moments to the best possible use.
3. I will call, text, or otherwise contact at least three persons in our church family each week to check on them and let them know they are on my radar.

Before long this pause in our routines will pass into history, and we will gather once again for worship. I am so looking forward to that! In the meantime, let's keep the circle of fellowship within our church unbroken. If you discover a need within our church family, please call our Church Office to let us know. We plan to maintain our regular schedule during the shutdown, and we are available Monday-Friday from 8 a.m. to 4 p.m., just like always.

I miss you already, and I can't wait to see you again.

Multi-Media Techs Needed

We are currently in need of 1-2 media techs to help on Sunday mornings and Wednesday nights. We all enjoy being able to hear Pastor David preach and most of us enjoy singing along with the Praise Team. But without amplification and projection, it would be hard for us to have a meaningful worship experience each Sunday. We have an extremely talented, hard-working, and dedicated team of men and women who serve on a rotation basis so that our worship services flow seamlessly every Sunday. These folks work "behind the scenes" each week to make sure we experience a flawless time of worship. Most of the time you won't even know they're there, but they are a such a vital part of our ministry team.

If you are an active member of our church and you think you might be interested, please contact me. My two requirements are that you be dependable and teachable. Of course, a general common knowledge of computers would help. Our Multi-Media Ministry Team would love for you to join them!! I'm eager to talk with you!!

Thank you, church family, for all the cards, flowers, doughnuts, desserts and especially your prayers during my recent medical procedure. The benign tumor was removed successfully and all is well. I'm so grateful to be a part of such a warm and loving church family.

Again, thank you!

Andy Anderson, Family Pastor - Children & Youth

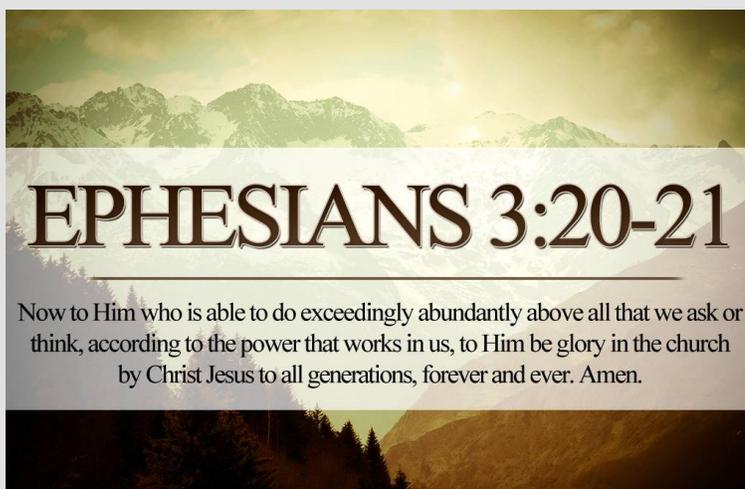

The Crowfield Baptist Church Youth Ministry and I wanted to reach out to all our Senior Adults. We are praying for you, and we stand ready to assist you with your shopping needs. Many of you are practicing your social distancing and remaining in your homes, which is very wise, as we have all been instructed to take certain precautions to help reduce the risk of being exposed to the COVID-19 virus. Realizing this may put you in a difficult place regarding your shopping patterns/routines, we would like to serve you by coordinating pick-up and delivery of purchased groceries.

Some of you may already be familiar with purchasing groceries through the internet (online), others of you may choose to explore this option in the future. Either way, if any of our Senior Church Family Members need our assistance, please contact Brittany Mitchum or myself. We are not in a position to buy your groceries, but we can definitely get them to your front door. We do not need to come in and risk any exposure. This is a specific ministry for Senior Adult Members of Crowfield Baptist Church, in which our students (upon availability), want to serve you all through.

My cherished friends, you may be inside and thinking how am I going to stay stocked up with food, well you are not forgotten, and we look forward to the opportunity of showing God's love in a practical way. Give us a call at the church if we can help.

Much Love & More Grace,
Andy Anderson

Congratulations to Great-Grandparents **Johnny and Marilyn Askins**, on the birth of their great-grandson, **Hampton White**.

Our Christian love and sympathy are extended to **Ricky Tetor** on the death of his mother **Patricia Tetor**.

Ron Metts writes:

*To our Friends at Crowfield Baptist Church,
Your prayers, thoughtfulness, cards, phone calls, and unending caring for us during these very difficult times has sustained us.*

May God be glorified through the out pouring of Christian love!

Thank you,

Ron Metts and the entire Family of Vicki Metts

Rhonda Easterlin writes:

Thank you all for your donation to the ReachOut Fund in James' memory. It was very kind of you to remember him in such a nice way.

Sincerely,

Rhonda Easterlin

Lowcountry Pregnancy Center

Dear Friends at Crowfield Baptist Church,

We are in receipt of your donation towards this year's Baby Bottle Campaign in the amount of \$3,290.87. This is an amazing gift that will provide help, hope and healing for many families in the Lowcountry. Your generous donation is equivalent to 22 ultrasounds for mom's considering abortion or 60 parenting classes for families desperately in need of education for their little ones.

Thank you from the bottom of our hearts for making a tangible difference in the lives of men, women and babies who otherwise would have no place to turn. May you be blessed ten-fold for the blessing you are to others.

In Christ,

Debra Ohlendorf, LPC, Director of Development

Health Kits for Migrant Workers

For over forty years, health kits have been provided to migrant workers in our area. Scripture and other gospel materials in the appropriate language are placed in the health kits when distribution occurs. This project is sponsored by our Women on Mission and is one in which everyone in the church can participate.

1 toothbrush

1 washcloth

1 large toothpaste (6oz.)

1 large bath towel

1 large bar of soap (4.5oz.)

1 comb

Place items in a 2-gallon plastic zip-lock type bag and bring them to Crowfield Baptist no later than Sunday, May 1. The items will be delivered to Pinecrest Baptist Church, and later distributed to the Migrant Workers by the Association Missionary. Contact JoAnn Goodwin at 843.553.1580 if you have any questions.
