

# Questions about this Sunday's Message: “God Created the Universe Out of Nothing”

*Do You Believe What You Think You Believe?* Here are some questions for you to reflect upon as you prepare your heart and mind to hear the fourth message in the series on September 27. These questions are not to be submitted to the church but are only to get you thinking.

- 
1. Do you believe Adam and Eve were the first human beings?
  2. If gradual evolution through “natural selection” (a term coined by Charles Darwin) were true, how would it effect the rest of the Bible?
  3. When you watch TV programs or hear class lectures that present evolution as a fact, do you embrace or reject what you hear?
  4. If you believe God created the universe out of nothing, could you present a clear case for why you believe it if someone asked you to?

*Read Genesis 1:1-2:2 to refresh your memory of the biblical account of creation.*
