

## For Sunday's Message:

---

This Sunday's message is titled *Free Indeed-How Jesus breaks unseen chains that bind us all*. Read *John 8:31-36* and consider your responses to the following questions:

1. In the passage, what did Jesus say is the outward evidence that a person is truly His disciple?
2. How does God's truth (Scripture) make believers free?
3. What things do unbelievers need to be freed *from*?
4. For each of your answers to Question 3 above, what should believers do in response to being liberated from it? In other words what difference does it make?
